**Ecumenical Sunday**

Today, Sunday, January 22, is an occasion to recall that, while our churches are united in baptism and while we recognize each other's ecclesial community as a source of vitality and vision, we also painfully acknowledge that we do not yet celebrate the fullness of Christian unity. We seek to understand the obstacles that lie in the path toward unity and we firmly believe that through the power of the Holy Spirit, these obstacles can be overcome. We pray that as God, in Christ, has gifted us with life and light by the power of the Holy Spirit, so too will God continue to inspire us by the same Spirit to work for the unity of the Church! Today we pray for the time when our full, visible unity may emerge through the power of the Holy Spirit as a foretaste of the Kingdom where God's love reigns eternal!
