**SUMMER PARISH EVENTS WERE SUCCESS  
IN MANY WAYS**

The *Second Annual Parish Bazaar* was a great success thanks in no small part to the hard work of many of our parishioners. Our extended parish family along with many friends from outside the parish not only enjoyed the food, entertainment, and games, but they witnessed first hand the parish community we are all proud of. We are happy to report we made a profit of **\$32,016.89**. We have set a date of June 28th, 29th, & 30th next year, so mark your calendar to join the fun next year.

On August 5th we held our first *Car Show* on the grounds of Holy Redeemer. The success of this event was measured in ways we never imagined. Even though the early rain kept the turnout down, we had **35** diehard entries along with car enthusiasts who braved the rain. Many of the attendees were unfamiliar with our parish. Their enthusiasm about what our novice car show committee and our volunteers put together left all of them planning to encourage their friends to come next year. So we collectively made many new friends. Thanks again to all our volunteers who as usual, reflect the spirit Corpus Christi Parish is all about. With the rain we raised **\$624.21**, but the community we are building is priceless. And Monsignor promised it won't rain next year, so we can't wait.
