Social Concerns

"Back to School" Drive

Studies have shown that starting the school year with the necessary school supplies promotes learning, boosts and self-esteem. Unfortunately as school spending has been cut, schools are providing less and parents are being

Back to School

asked to purchase even more school supplies for their children. Financially strapped families often struggle with how they will be able to give their children the supplies they need to begin school. Our Social Concerns Ministry is once again conducting a "Back to School" Drive. If you can help.....just purchase a backpack for a boy or girl elementary school age or teen, fill it with supplies they will need and we will be sure it goes to a local boy or girl in need. Or if you prefer, just purchase anything from crayons, pens, and pencils to note books, loose leaf paper, etc, whatever school supplies kids need and we will take care of filling the backpacks. Donations may be left in the vestibules of the churches. Thank you, in advance for your support of this project!!!
