Visitation Ministry

This ministry provides an extension of the parish community to those unable to gather for Mass because they are homebound or residing in a nursing home. This ministry allows these parishioners to receive Holy Communion and reassures them that they are valued members of our faith community. We try our best to keep an up-to-date list of those parishioners who are in nursing homes or are homebound, but we are not always successful. If you or someone you know is not able to attend Mass, would like a bulletin mailed to them, would like to receive communion on a regular basis, please call the rectory or e mail Joyce at jceconni50@gmail.com. Thank you.
